

Delivery Truck Helper - Regina and Saskatoon

Job description

We are seeking an experienced, motivated individual to join our team as delivery truck helper. The Ultimate Deck Shop is a building materials supplier for the outdoors, primarily decks, fences, pergolas. You would assist with loading and unloading the delivery trucks, helping the drivers with finding delivery locations, and reporting all delivery related problems to the supervisor. You will also be required to help with order picking/staging, and assist in the warehouse and lumberyard as needed. You would also be responsible for ensuring the delivery trucks are kept clean and tidy. Previous experience with lumber and building materials would be considered an asset, but not a requirement. Knowledge of Regina and the surrounding area would be an asset as well.

**** Preference will be given to candidates who drop off a resume in person****
