Job Overview

Reporting to the Production Manager-Wall Panels, as the **Manufacturing Labourer – Wall Panels** you will perform general labour activities and provide support to the Production team. You also assist in ensuring cleanliness and organization of the job site.

Your day-to-day responsibilities will include:

- Completing basic carpentry tasks, assembling wall panels, and properly securing the materials. Inspecting finished shipping packages for accuracy and quality.
- Ensuring wood is cut according to specified dimensions and angles.
- Examining work orders to determine equipment set up and procedures to be used.
- Building and stacking pony walls on skids and banding bundles with steel strapping.
- Operating diesel, electric or propane powered forklifts to safely move goods. Supplying production area with feedstock materials.
- Inspecting and maintaining equipment, and reporting major mechanical problems to the Production Manager.

- Working safely and complying with Qualico's Safety Program and relevant safety regulations.
- Providing support to other projects or duties as assigned.

Work Conditions

Primarily works on site during regular business hours. Work has exposure to noise from equipment/machinery and occupational hazards as well as dealing with inclement weather and dust. Physically able to kneel and crouch as well as lift, carry, push or pull objects weighing up to 100 lbs. Overtime may occasionally be required.

About Us

Star Building Materials is an independent, wholly owned division of Qualico. Since 1958, Star Building Materials has sourced, manufactured, and supplied quality building materials to builders, developers, renovators, and homeowners. It is our mission to innovate within the construction industry, exploring new methods to help you reduce waste, increase efficiency, and manage project costs.

None of this would be possible without people. We hire only the most forward-thinking, experienced, and passionate staff to serve your building needs. We care deeply about the quality of the products and service you receive, and we invest in our relationships both with our employees and our customers. We aim to reach beyond minimum standards of safety and environmental concerns.

We serve our clients with some of the most innovative building solutions available, including framing and finishing materials, engineered wood floor systems, trusses, drywall, insulation, and a wide selection of related supplies. To learn more, click [here](#).

Qualico welcomes applications from people with disabilities. Accommodations are available upon request during the assessment and selection process.

Candidates being considered will be contacted. We thank you for your interest. Join our [Talent Community](#) to stay up to date on job opportunities and to find out why we have the best reason to come to work every day.

Closing date: June 28, 2024
