- Ensuring wood is cut according to specified dimensions and angles.
- Examining work orders to determine equipment set up and procedures to be used.
- Building and stacking pony walls on skids and banding bundles with steel strapping.
- Operating diesel, electric or propane powered forklifts to safely move goods. Supplying production area with feedstock materials.
- Inspecting and maintaining equipment, and reporting any major mechanical problems.
- Working safely and complying with Qualico's Safety Program and relevant safety regulations.
- Providing support to other projects or duties as assigned.

### **Essential Requirements**

- Completion of middle school, must be able to read and write and perform basic math.
- Minimum 3 months of general labour, manufacturing or construction-related experience, but training will be provided.
- Satisfactory verification of criminal record check.
- Attention to detail, good hand-eye coordination and situational awareness of physical work environment.
- Comfortable and able to frequently kneel and crouch as well as lift, carry, push or pull objects weighing 40 lbs.
- Available to work 24 hours per week based on the Truss production schedule, daytime shifts, various days of the week.

### **Preferred Qualifications**

- Experience using a variety of tools such as nail guns, saws and banding machines, is preferred.
- Previous forklift experience is an asset.

## **What We Value**

- Creating trusting and successful working relationships.
- Setting clear, measurable and achievable goals.
- Cooperating with team members in an open, positive and respectful manner.
- Staying current with technical job skills.
- Taking responsibility for the outcomes of decisions and actions.

## **Work Conditions**

You primarily work outside. Work has exposure to noise from equipment/machinery and occupational hazards as well as dealing with inclement weather and dust. Overtime may occasionally be required.
