INSIDE SALES/ESTIMATOR – SMALL PACKAGES

Do you enjoy working with the public?

Do you have construction experience?

Come build your career with us!

Hauser Home Hardware Building Centre is looking for an outgoing individual who is interested in a career in the Hardware/Lumber industry.

We are an ever-growing, ever-changing company dedicated to both our team and customers.

This is a full-time position with hours Monday – Friday 8:00am – 5:00pm and the occasional weekend. Salary \$40,000-\$50,000/year.

Duties and Responsibilities:

The key duties and responsibilities of the position are:

- Complete material take-offs and estimates for residential and renovation projects
- Assist sales team with option pricing and budget pricing
- Ordering all products needed for each building package
- Prepare picking lists of products to be shipped
- Any other duties assigned by management

Skills and Qualifications:

The successful candidate must have the following skills and qualifications:

- Be very personable, outgoing, self-motivated, responsible, and hard working with a very high standard of customer service
- Be extremely organized with the ability to multi-task
- Must have the ability to travel and a valid driver's licence with a clean abstract
- Be fluent in Microsoft applications
- Knowledge and understanding of construction and blueprints would be an asset

If you are a qualified candidate and interested in working in a small team environment, please forward resumé to:

Devan Herder LBM Manager devan@hhbccamrose.ca

Only successful applicants will be contacted.
