

Title: Field Supervisor (residential construction)

Location: Edmonton and surrounding areas

At Pacesetter Homes, our people make the difference. We offer an exciting place to build your career with competitive compensation and benefit packages, company matching RRSP/DPSP program, employee home purchase program and employee discounts.

Job Overview

Reporting to the Construction Manager, as the **Field Supervisor** you will manage employees, contractors, and suppliers on site, to ensure construction of homes follows established designs, quality standards, budgets and schedules.

Your day-to-day responsibilities will include:

- Inspecting the quality of work and production progress to ensure adherence to Qualico's quality standards and prescribed schedules.
- Ensuring the home building process is accurate according to plans and specifications.
- Acting as a liaison between Construction and Office staff, trades, suppliers and municipalities.
- Supervising, developing and providing guidance to Construction site staff while promoting a collaborative work environment.
- Promoting a safe work environment and ensuring compliance with Qualico's safety program and relevant safety regulations.
- Providing coverage for Site Superintendent to support Construction team when required.

As our ideal candidate, you are...

- A strong communicator; you clearly express your thoughts in conversation as well as write and present in a persuasive and influencing manner.
- A creative thinker; you identify new ideas, techniques and opportunities to improve performance and productivity.
- A leader; you develop and improve the skills of others through effective coaching and guidance.
- A creative problem solver; you think outside the box for solutions without fear of failure.

Essential Requirements

- High School diploma, or equivalent.
- 10 years of experience working in the residential construction industry.
- 5 years of experience as a Site supervisor or in a supervisory capacity.
- Knowledge of provincial building codes and basic construction processes.
- Valid driver's licence and access to reliable vehicle.
- Satisfactory verification of criminal record check.
- Physically able to carry out basic construction duties.
- Comfortable using office equipment and Microsoft Office programs (Outlook, Word, Teams, SharePoint, PowerPoint and Excel) and construction management software (BuildPro, NewStar or similar).

What We Value

- Creating trusting and successful working relationships.
- Setting clear, measurable and achievable goals.
- Cooperating with team members in an open, positive and respectful manner.
- Taking responsibility for the outcomes of decisions and actions.
- Staying current with technical job skills.

Working Conditions

You primarily work on site during regular business hours. Work has exposure to noise from equipment/machinery and occupational hazards as well as dealing with inclement weather and dust. Travel within the Calgary and surrounding area is required on a frequent basis. Overtime may occasionally be required.

Work Conditions

You primarily work onsite during regular business hours. Work has exposure to noise from equipment/machinery and occupational hazards as well as dealing with inclement weather and dust. Travel to the regional office or other site locations and overtime may occasionally be required.
