

## Fence Installer/Builder

**Job Category:**

Building and Construction Trades

**Type:**

Full Time

**Location:**

90 Lawson Cres, Winnipeg, MB R3P 2H8

**Description:**

Wallace and Wallace is Manitoba's leading fence and perimeter security builder and we're looking for fence builders and installers. What kind of person fits in at Wallace?

You like to do the little things and the extra thing well, because you take pride in your work and a job well-done.

You are smart enough to "get it" but know what you don't know. You listen well and aren't afraid to ask questions to make sure you understand.

**Qualifications:**

- We will train the right candidate. Experience is an asset, not a requirement.
- General construction knowledge considered an asset.
- Able to lift 50 lbs or more.
- A valid class 5 driver's license is required / class 3 license is considered an asset.

**Additional Qualifications for our Wood Fence Division:**

- Experience using hand tools required.
- Experience in layout, cutting and framing with wood and steel an asset.
- Carpentry experience is an asset.
- Experience operating a skid steer an asset.
- Additional Qualifications for our Commercial Fence Division:

- Experience operating a skid steer is an asset.
- Welding experience considered an asset.
- General construction knowledge considered an asset.

**Additional Qualifications for our Residential Chain Link/Ornamental and PVC Division:**

- General construction knowledge an asset.

**What We Offer:**

- Competitive salary with a comprehensive benefits package.
- Opportunity for growth and advancement within the company.
- Continuous training and professional development.
- A positive, team-focused environment where your input is valued.

**How to Apply:**

If you are looking for full-time seasonal work and think you're the right candidate for the job, we'd love to talk to you. Wage is negotiable depending on qualifications.
